

Terms of use

Updated: January 22, 2018

This website (the "Site") is owned by GlaxoSmithKline Consumer Healthcare SpA ("GSK"). Use of this site implies acceptance of these conditions of use by the user. Users who do not intend to accept them must refrain from using the Site.

GSK reserves the right to modify, revise, add or remove portions of these Terms of Use at its discretion and at any time. The user is required to periodically consult these Conditions to become aware of any changes. The user can access the Terms of Use by clicking on the link at the bottom of the web page. By continuing to use the Site, even after updating the Terms of Use, the user acknowledges the binding nature of any revisions made.

The information contained on this website is intended for informational and educational purposes only. The site may contain information concerning medical conditions and their treatment. If the user is a healthcare professional, the information on the Site is not intended as a substitute for his medical opinion. If you need treatment, you should seek assistance from qualified healthcare professionals. The information on the Site is not to be used to provide specific medical advice or recommendations.

global products

GSK's corporate websites contain information relating to the group's products and services worldwide, and not all are available locally. When there is a reference to a GSK product or service on a GSK site, this does not imply its availability in your country of residence.

Timeliness of information

While GSK takes all steps reasonably necessary to keep this website up to date, some information may become outdated over time. GSK cannot guarantee and does not make any guarantees as to the reliability, accuracy, suitability, completeness or timeliness of the information contained on this website. The information published on this website is provided "as is".

Usage and Access

The user has the right to freely browse this website, but is authorized to access or download the materials contained therein exclusively for personal and non-commercial use. Any copyright and other proprietary rights notices contained in downloaded materials must be preserved and maintained. It is forbidden to use the materials on the site for any other purpose, without the prior express written consent of GSK.

Access to this website is permitted on a temporary basis, and GSK reserves the right to withdraw or amend the service it provides on this website without notice. GSK will not be held liable if, for any reason, the website is unavailable at any time or for any period. In the event of a breach of the Terms of Use by the user, GSK reserves the right to suspend or terminate any account created by the user on this website.

Trademarks/Intellectual Property Rights

Unless otherwise indicated, all trademarks appearing on this website, regardless of font size and whether or not the trademark symbol is displayed, are believed to be the property of GSK or its affiliates or related companies, or their licensors or joint venture partners. The user must note that, unless otherwise indicated, all text and graphics appearing on this website are protected by copyright or licensed for use to GSK, and may only be used in accordance with the Terms of Use or set out on the site itself, unless explicit written consent is given by GSK. The use of this website does not imply the granting of any license to the user, nor the transfer to the latter of intellectual property rights belonging to the GSK group of companies (including patents, trademarks and copyrights) or to third parties. The use or misuse of trademarks, copyrights or other materials in a manner other than as provided herein is expressly prohibited and contrary to copyright, trademark or any other applicable law or regulation.

GSK non rivendica la proprietà né alcun rapporto di affiliazione con eventuali marchi di terzi menzionati nel presente sito. Tali marchi sono utilizzati esclusivamente per identificare i prodotti e i servizi dei rispettivi proprietari e nessuna sponsorizzazione o approvazione da parte di GSK può essere desunta dall'utilizzo dei medesimi.

Esclusione di Responsabilità

Nel mero interesse o per comodità degli utenti del presente Sito, possono essere forniti collegamenti a siti di terze parti. GSK non si assume alcuna responsabilità per il contenuto di tali siti di terzi a cui fornisce il collegamento, né per le informazioni od opinioni eventualmente presenti o per violazioni od omissioni relative alle politiche sulla privacy di detti terzi.
